

# StarBrite™

Light up any atmosphere with the StarBrite jukebox. Built by the world's leading jukebox manufacturer, the digital downloading StarBrite, powered by AMI Entertainment, gives operators total control over profits and options. StarBrite will blow you away with features like My Song First™, Music On Demand, and Any Song, Any Time™. And with no need to share location information or give up communications control, StarBrite gives operators the most important feature of all: privacy.

For more information about the StarBrite, contact your Rowe International distributor.
